

NEW ERA PUBLIC SCHOOL
MAYAPURI, NEW DELHI-110064

Class XI

NEPS/PAR.CIR./2021-22/10

09.07.2021

Dear Parents

As the world socio-economic order changes, school curriculums must evolve in order to meet the aspirations of students. Succeeding at the professional level while contributing to the growth of the nation is an objective the youth seeks and the foundation for it is laid in school.

New Era Public School, Mayapuri has always striven to provide ample opportunities to its learners to achieve excellence and realize their potential. In alignment with this vision, we are offering to our students a new course - Entrepreneurship.

Entrepreneurship is an apt choice for those who look at future prospects of promoting start-ups or joining the family businesses. The course enhances entrepreneurial skills and highlights the essential elements of a new business venture/enterprise. It is an extremely interesting and scoring subject in the Board exams.

Currently, the Delhi University does not include this subject in best 4 for admission, however many private universities and foreign universities do give it considerable weightage in their admission process.

Please make an informed choice for your ward if you want your ward to opt for the subject. Currently we shall provide it to Commerce and Humanities students as a choice between Mathematics /Informatics Practices /Fashion Studies/Information Technology.

You can send a mail to the school by Wednesday, 14th July, 2021 if you wish to opt for this subject and also inform the same to the Class Teacher.

Vandana Chawla
