NEPS/PAR.CIR./2022-23/25

04.08.2022

Dear Parent,

This is to inform you that today in the Primary Wing of our school around 60 students felt a burning sensation on their faces from 9:30 a.m. onwards. Many children felt better after washing their faces but in some cases, where the sensation persisted, the parents were informed to take their children back home.

Some students were taken to Deen Dayal Upadhyay hospital, declared ok and sent home in my presence.

It has been brought to our notice that all kinds of rumours are being spread which are completely untrue. There is absolutely no need to panic. All students are safe and sound.

Parents have always been our strength and have always trusted our commitment to the safety and well being of our students. We request you to not believe any rumours and if you hear any alarming information, please confirm with us.

Regards

  
PRINCIPAL
