Dear Parent

The New Era Education Society is providing buses for the convenience and comfortable travel of the students. Yet, it has been observed that many private vans, TSRs and E-Rickshaws are being hired by parents as a mode of transport for their ward/s. In the interest of student's safety and security, you are hereby requested not to engage any such private cabs or TSRs, etc. especially those that do not have a proper permit from the transport department or are unregistered for ferrying school children.

In regard to the same, the under mentioned information is urgently required by the Office of the Asstt. Commissioner of Police Traffic (West District), Rajouri Garden, New Delhi.

We look forward to your cooperation as the students' safety is paramount to us.

Regards
